SEASON SUMMARY

Another spring track season has come to a close. Pinkerton Academy posted a very respectable 6-3 record. We lost one meet in the third last event (Merrimack). However, we won one meet in the final event, with a fine performance by our 4 X 400 relay team, against Bishop Guertin. We didn't fare too well against the two big boys, Londonderry and Cashua, but we were no way embarrassed. If a couple of events in either meet had gone our way, baby, we're in. There were three teams who didn't match up too well against us, Alvirne, Milford, and West. These were the type of meets where we know what our jobs were and we did them well. Two otherschools, Trinity and Keene, hung tough with Pinkerton right to the end of the meet. Because of our workman like effort, we defeated these two teams.

Two highlights of our season came in two of the biggest meets of the year. We had a very fine fourth place effort in the Spaulding Invitational. A number of our better performers had personal records in this meet. We also had a good showing at the State meet, fifth place was a decent showing for our team.

Overall, the people on the Pinkerton Academy Spring Track Team, can give themselves a pat on the back for a job well done. The quality of people involved with the program makes it a very worthwhile endeavor. Thank you all for putting in the hard work.

Coach Roberts
